	Tops	Bottoms	Outerwear
Boys	Polo, Turtle Neck, Oxford Shirt navy, white, light yellow	Shorts Pants navy, khaki	Fleece, Cardigan, Sweater, Vest navy, khaki

Fanwear Friday

On Fridays, students have the option of wearing casual bottoms (no rips/holes or pajamas) with a HIH branded or uniform top.

Collared shirt is not required.

Our simple uniforms are beneficial because they ...

- **Promote cohesiveness in the student body.**

Schools nationwide are welcoming diversity into their student body, with a wide range of backgrounds and different economic status. At Central, we strive to create an environment where all children feel welcome and safe.

- **Provide an appropriate standard of dress.**

Uniforms ensure that all clothing is appropriate for school.

- **Reduce the cost of "school clothes."**

Families may purchase uniforms from the store of their choosing. Affordable options include: Target, Old Navy, Children's Place, used clothing stores, HIH used uniform closet, and many other retail options.

- **Allow younger children the opportunity for independence by dressing themselves.**

Children often find it easier to have only a few options to select from that are school appropriate, as some children get overwhelmed by having to choose from a large selection.

- **Help eliminate distractions.**

Wearing a uniform helps eliminate distractions caused by current fashion trends.
